

Sleek yet luxurious and contemporary in style, the HCM HiFi Home Theater seats will elevate any living room into your new favorite entertainment venue.

As your guests relax in beauty and comfort, they will notice the fully supportive lumbar system and extending foot rest. They will graciously thank you when their favorite beverage is placed in your choice of stainless steel or brass cupholder and be pleasantly surprised when you activate the optional blue LED lighted cupholders and baserails for additional visibility. Watch amazed smiles form when you activate the additionally purchased wireless bass shaker feature that will add depth and power to any movie or sporting event.

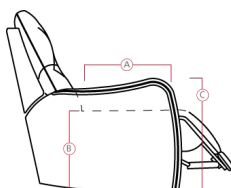

Customize your HCM HiFi Home Theater seats with a wide selection of colours and materials. This model has been a favorite for years, and will sure to become the focal point of your home theater.

How We Measure

Height - measured from the highest point of the back pillow to the floor.

Depth - measured from the front edge of the seat cushion to the top of the back.

Width - measured from the widest point of the arm or arm pillow to the widest point of the opposite arm or arm pillow.

Arm Height - measured from the top of the arm to the floor.

Seat Height - measured from the crown of the seat cushion to the floor.
